Live Webinar Schedule
(Times listed in Central)
8:00 Program begins
11:50-1:00 Lunch Break
4:00 Program ends

There will be two 15-min breaks (mid-morning & mid-afternoon).
Actual lunch and break start times are at the discretion of the speaker.
A more detailed schedule is available upon request.

Objectives

1. Analyze the differences in the clinical presentation of depression as compared to bereavement.
2. Evaluate developmentally appropriate grief symptomology across the lifespan and assess for clinical concerns.
3. Design individualized therapeutic interventions for bereaved children, adolescents, adults and families using various modalities.
4. Assess continuing bonds after death and their relevance to clinical practice with bereaved clients.
5. Demonstrate how to Create a support group for bereaved children, adolescents, and/or adults with corresponding therapeutic activities.
6. Employ therapeutic techniques to address client grief associated with other forms of loss including divorce, chronic illness, military deployment and termination of parental rights.

Certification Course: The Ultimate Grief Treatment Toolbox

Grieving clients have some of the most heartbreaking stories that we see as clinicians. Your client's world has been toppled following the loss of a loved one, and in addition to missing that person, your client is now questioning what they know about themselves and the world. Paralyzing grief has made even the simplest tasks difficult for them, and you're overwhelmed because nothing that you do seems to help.

Join Erica Sirrine, PhD, LCSW, FT, as she walks you through over 60 interventions that you can use to help your grieving clients find hope and heal. Drawing on her expertise as a bereavement counselor and educator, Dr. Sirrine blends remarkable case studies with creative intervention strategies for an engaging and unforgettable workshop that will arm you with the skills you need to be an effective therapist for grieving clients.

Whether your client is experiencing feelings of premature grief due to the anticipated death of a loved one, pain and loss following a divorce, or feelings of disbelief and shock following a traumatic death, this workshop will prepare you to skillfully intervene.

Attend and discover:

- Over 60 interventions to help clients mourn, reconcile their losses & discover hope
- Assessment & treatment techniques for children, adolescents & adults
- Session topics & treatment approaches for individuals, groups & families
- Strategies to treat clients dealing with anticipatory grief
- Techniques & ideas for facilitating bereavement groups & grief camps

Best of all, upon completion of this live training, you'll be eligible to become a **Certified Grief Informed Professional (CGP)** through Evergreen Certifications. Certification lets colleagues, employers, and caregivers know that you've invested the extra time and effort necessary to understand the complexities of grief counseling. Professional standards apply. Visit www.evergreencertifications.com/cgp for details.

Register today to discover the ultimate grief treatment toolbox and revolutionize your treatment of grieving clients!

Target Audience:

Social Workers • Counselors • Psychologists • Chaplains/Clergy
Marriage & Family Therapists • Nurses • Thanatologists • Case Managers
Physicians • Other Mental Health Professionals • Child Life Specialists

Meet Your Speaker

Erica H. Sirrine, PhD, LCSW, FT, is a licensed clinical social worker with over 20 years of experience in the field of death, dying, and bereavement. She earned a PhD in social work and has been awarded the distinction of Fellow in Thanatology by the Association for Death Education and Counseling. Dr. Sirrine has conducted and published research on grief and bereavement, including a recent study on college student experiences of loss amid the COVID-19 pandemic. She maintains a blog on grief and is the author of *Sammy's Story*, an anticipatory grief counseling book for young children experiencing the serious illness of a parent.

Dr. Sirrine has extensive expertise providing individual and group therapy to children, adolescents, adults, and families experiencing illness and loss. She has implemented numerous interventions and programs aimed at improving the emotional health of clients and currently serves as the Director of Social Work at St. Jude Children's Research Hospital. Dr. Sirrine frequently presents seminars on bereavement and loss throughout the United States and is known for her interactive and engaging workshops. A former university dean and professor, she has been distinguished as "Professor of the Year" and the National Association of Social Workers Heartland, Florida Unit's "Social Worker of the Year."

Speaker Disclosures:

Financial: Dr. Erica Sirrine has employment relationships with Southeastern University and St. Jude Children's Hospital. She receives a speaking honorarium and recording royalties from PESI, Inc. She has no relevant financial relationships with ineligible organizations.

Non-financial: Dr. Erica Sirrine is a member of the Association for Death Education and Counseling, the Council on Social Work Education, the National Alliance for Grieving Children, the National Association of Social Workers, and Baccalaureate Program Directors.
