

COMMUNITY MENTAL HEALTH CLINICIAN SUMMIT

As a community mental health clinician, you never know what's coming next.

Clients burdened by poverty, oppression and lacking resources. Crises of a million different kinds demanding your attention each day.

And when your caseload is so diverse that you need to do it all...affordable training on today's top clinical tools can be hard to come by.

That's why we've put together our FREE virtual summit designed specifically for clinicians working in community mental health.

Featuring **12 experts and highly respected trainers** you'll get the **trauma-informed strategies and tools** you need to provide top level treatment and support for the clients counting on you.

Broadcast LIVE over two days, you'll get a toolbox of techniques from **EMDR, DBT, Motivational Interviewing** and more, so you can confidently manage the most challenging issues you face in your caseload.

Register today and get...
