ADVANCED TRAINING IN Cognitive Processing Therapy

Managing Complex Trauma & Related Conditions

Endorsed by the U.S. Departments of Veterans Affairs and Defense, the International Society of Traumatic Stress Studies, and the U.K. National Institute for Health and Care Excellence (NICE) as a best practice for the treatment of PTSD, **Cognitive Processing Therapy (CPT) is an evidence-based approach** to treating trauma.

Presented by **CPT co-developer Dr. Kathleen Chard**, this **1-day intensive training program** is designed to equip therapists who already have a foundation in Cognitive Processing Therapy to go **beyond the basics** with this powerful evidence-based protocol to:

- Overcome the most common issues that de-rail treatment
- Reduce dropouts and improve outcomes
- Address severe reactions such as flashback, dissociation, anger, substance use, personality disorders and more!

After this training, you will be prepared to use CPT with complex therapy cases and improve your ability to move clients through the CPT process **the way it's done by the most seasoned CPT clinicians!**

Dr. Chard will teach you **advanced techniques not covered in the 2-day basic training** that create client buy-in and build engagement, reduce drop out, and how she works with flashbacks, dissociation, and other complications that could de-rail therapy.

In addition, she covers easy to implement strategies for managing avoidance, anger and staff splitting while staying in the CPT framework. This training also includes **new, exclusive video demonstrations** filmed at Dr. Chard's clinic that demonstrate how to use CPT even when the session throws you a curve ball.

Register today for this opportunity to train with one of the leading and **most sought-after trauma experts in the field** in this all-new advanced training to **refine and master your use of CPT and improve outcomes** in the most difficult situations.

Target Audience:

Psychologists • Counselors • Social Workers • Addictions Professionals
Marriage & Family Therapists • Psychotherapists • Case Managers
