Meet Your Speaker

Vicki Steine, DSc, LCSW, BCHN, IFNCP, has been a social worker for more than 25 years, working in both inpatient and outpatient settings, and works with children and adults with ADHD, anxiety, depression, OCD, Tourettes’ syndrome, addiction, and trauma in her private practice in the Atlanta area. Dr. Steine received her Master’s in Social Work from the University of Georgia and her Doctorate of Science in Holistic Nutrition from Hawthorn University. She is Board Certified in Holistic Nutrition through the National Association of Nutrition Professionals, a Nutrition Certified Practitioner through the Integrated and Functional Nutrition Academy, and is a member of the National Association of Social Workers. Dr. Steine enjoys combining her skills as a social worker and nutrition educator to help her clients who struggle with staying organized, keeping focused at work or school, and overcoming the anxiety and depression that often prevents them from fully living their lives. She integrates nutrition, mind-body exercises, and traditional psychotherapy methods, like Cognitive Behavior Therapy, to help her clients get on with living their lives optimally. She has spoken at many conferences and delivered workshops providing education to professionals and lay people alike on the benefits of nutrition and improving mental health. Dr. Steine has had personal success using a holistic approach, including nutrition and supplements, to recover from a near death boating accident and an episode of debilitating depression.

Speaker Disclosure:

Financial: Vicki Steine maintains a private practice. She receives a speaking honorarium and recording royalties from PESI, Inc. She has no relevant financial relationships with ineligible organizations.

Non-financial: Vicki Steine is a member of the National Association of Social Workers and the National Association of Nutrition Practitioners.
