

Certified Clinical Trauma Professional (CCTP)

Certification Requirements for Non-US based/Licensed Professionals.

Please note that it is your responsibility to verify with your nation/state accrediting bodies if this Certification is allowable for your professional designation.

Contact info@traumapro.net to verify that your specific designation can be approved prior to submitting payment and documentation.

A. A professionally licensed/credentialed:

- Psychologist
- Psychotherapist
- Social Worker
- Certified Addictions Counselor
- Licensed Professional Counselor*
- Marriage and Family Therapist
- Psychiatric Nurse

*UK Applicants: Must be BACP Senior Accrediting psychotherapist member to be eligible.

B. The applicant in (A) must:

- Be in good standing with the professional organization/board that licenses him/her, including not being on probationary status for any reason.
- Not have been ethically or professionally denied application to or renewal of his/her professional membership in local, state or national associations to which he/she is qualified within the past 5 years.
- Not have had his/her professional or medical privileges restricted, revoked, or revised in any formal institutional setting (e.g., hospital, clinic or other clinical setting) based upon professional malpractice within the last 5 years.

C. The candidate must meet the following education criteria (total minimum of 12 hours):

- Complete a minimum of 12 clock continuing education (CE)/Continuing Professional Development (CPD) hours in:
 - i. DSM-5 Classification of Trauma & Stressor-related disorders
 - ii. Assessment of psychological trauma including Post-Traumatic Stress Disorder (PTSD), Developmental Trauma
 - iii. A survey of evidence-based treatment approaches
 - iv. Primary treatment issues in trauma therapy
 - v. Current literature and research on the latest treatment modalities

Examples include but are not limited to:

- vi. Coursework from an accredited college or university as documented by a copy of the course syllabus and a transcript showing completion of the course that includes:
- vii. Approved Continuing Education Courses (CE)/Continuing Professional Development (CPD) as documented by certificates of completion from vendor.

Documentation of Eligibility and Requirements

1. A copy of the candidate's license (as applicable to your country/state), or documentation regarding provisional status, or student status.
2. Copies of completion of training as requested in the certification requirements.
3. Payment of application fee.

IATP will certify candidates who meet and attest to the above requirements. Certification does not imply endorsement of clinical competency.

Renewal of Certification Criteria

To maintain Certification, a reapplication is required annually to include an additional 6 hours of continuing education (CE)/continuing professional development (CPD) credits specific to trauma by a professional training organization/approved provider of continuing education.
